

Dear Parent,

On behalf of the Hellenic School of High Barnet we would like to take this opportunity to welcome your child to our school.

The school committee is comprised of a group of parents who volunteer their time and/or expertise to ensuring that our school provides the best environment possible for our children to learn the Greek language & culture. This is achieved by promoting the efficient running of the school on a continuous basis, as well numerous cultural and social events throughout the school year.

To achieve this goal, alongside the committee we also run the **H.S.H.B. Action Group**. Made up of an additional group of parents who volunteer a limited amount of their time or resources, they help with the smooth running of the school, or with the events held during the school year.

If you feel you can help by devoting even a small amount of your time, either on a regular or semi-regular basis. Whether you are only available for one Saturday in the school year or able to help out every other Wednesday, all help is appreciated and much needed. Please complete the attached form and return it to one of the committee members located downstairs past the main hall in the committee area.

Alternatively should you wish to discuss this further please do not hesitate to contact the Chairman (John Skoulides) at info@hshb.org.uk.

Yours faithfully,
HSHB Committee
